

## ABOUT THE STATE

HAPPENINGS OF INTEREST FROM DIFFERENT SECTIONS

Word has been received in St. Johnsbury of the death of Corp. Paul J. McLeod of Co. I, 107th U. S. Infantry, son of Mr. and Mrs. Donald McLeod of that place. He enlisted in New York a year ago and sailed for France early in the summer.

After having received word that her son, Nelson LaFrance, had died while fighting in France and then receiving another stating that he was well and alive, Mrs. Louis LaFrance of Rutland received another, announcing officially that the first message was correct.

Three nurses who have been employed by the Mutual Aid association of Brattleboro have resigned their positions to enter Red Cross work. They are Miss Carolyn Fandel, who has been the superintendent for the past three years; Miss Alice F. McKinnon, district nurse, and Miss Alice O. Potts. Their resignations are to take effect Oct. 1.

After an absence of 30 years, Mr. and Mrs. Patrick Haggerty of Pueblo, Colo., have been visiting at Underhill, their former home.

Friday afternoon, while digging potatoes in Lunenburg, L. D. Snow and Walter Pierce were obliged to put on coats during a snow squall, while at the same time and place they picked a handful of ripe raspberries and found many green ones.

Dr. G. B. Lawson of Pittsburg, Pa., formerly the pastor of the Bennington Baptist church, has received an appointment as an army chaplain and expects to leave for service in the near future. Dr. Lawson has for many years been professor of psychology at the State College for Women at Pittsburg.

Assistant Judge Samuel R. Hitchcock of West Haven is confined at his home by illness, which it is feared may be pneumonia.

Reinforcements to the St. Albans staff of over-worked physicians appeared Monday afternoon in the person of Dr. A. A. Skeels, who is home on a furlough from France, where he has been serving with the royal army medical corps. He has offered his services to help out in the task of stamping out the disease.

Miss Beatrice McNamara, for 15 years a table girl in the Junction house at White River Junction, recently fell from the hotel stairway and sustained a triple break of her right leg. She has been taken to the Mary Hitchcock hospital at Hanover, N. H.

## WITHDRAWS AS CANDIDATE.

Rev. Arthur W. Hewitt of Plainfield follows Out Determination.

Rev. Arthur W. Hewitt of Plainfield has withdrawn as a candidate for senator from Washington county on the Democratic ticket. He sent his resignation yesterday to Clerk L. C. Moody of Washington county, and it was as follows:

"Dear Sir: According to my purpose expressed before the primary election, I now withdraw as candidate on the Democratic ticket for the office of senator from Washington county. It has been my wish, untroubled by any thought of political contest, to follow my duties as pastor of my church and as member of the state board of education. I allowed my name to appear on the ballot at the primary because I learned at noon of the last day on which it was possible to file nominations that petitions had been circulated in my behalf. This had gone on without my knowledge until it was too late to get petitions for any other name and I did not wish to injure those who had shown me every honor and kindness by leaving a vacant place on their ticket. But there is now a legal way of filling my place with another candidate for the November election, and with injury to no one I may withdraw."

## BRATTLEBORO BOY DEAD.

Albert W. Huckins Was at Great Lakes, Naval Training Station.

Brattleboro, Oct. 3.—E. E. Huckins, assistant superintendent at the Connecticut River Power Co.'s Vernon power plant, was notified yesterday of the death of his son, Albert W. Huckins, 19, of influenza at the naval training station at Great Lakes, Ill. The body will be brought here and shipped to Enosburg for burial. The young man was in the naval aviation service. He attended the Enosburg Falls high school.

Postmaster M. J. Moran went to Hingham, Mass., yesterday on receipt of news that his son, Seaman Edward Moran, was critically ill with influenza at the naval training station. Seaman Moran is reported a little better. He is a well known athlete.

Health Officer Henry Tucker reports that there are over 100 cases of influenza under quarantine in town and undoubtedly many that have not been reported.

Appreciative Women.

How often is the question asked, "Are the testimonial letters published in the advertisements of Lydia E. Pinkham's Vegetable Compound genuine and true?" In answer to that question we want to answer most emphatically yes; and it is gladness for health restored by the use of Lydia E. Pinkham's Vegetable Compound after weeks, months and sometimes years of suffering that has prompted these women to write such letters in order that other women who suffer as they once did may profit by their experience.—adv.

## UNSHAKEN TESTIMONY

Time is the test of truth. And Doan's Kidney Pills have stood the test in Barre. No Barre resident who suffers backache, or annoying urinary ills, can remain unconvinced by this twice-told testimony.

Mrs. N. M. Nelson, 20 Merchant street, Barre, says: "A severe attack of grip left my kidneys in a weakened condition. The slightest housework tired me, and after I was on my feet for any great time, sharp pains across my back compelled me to stop and rest. Other complications came on, and my kidneys began to act unaccountably. I paid out over a hundred dollars seeking relief, but got none. I became discouraged until someone advised me to try Doan's Kidney Pills. They stopped the trouble in a short time and rid me of the dangerous attack." (Statement given November 10, 1905.)

OVER SIX YEARS LATER, Mrs. Nelson said: "I still use Doan's now and then and find them as excellent as when I first recommended them."

## ADULTERATED OLIVE OIL.

Federal Food Inspectors Instructed to Inspect Interstate Shipments.

Food inspectors have been instructed by the officials in charge of the enforcement of the federal food and drugs act to inspect interstate shipments of olive oil, in order to prevent the sale in interstate commerce of cheaper vegetable oils under the name of olive oil. Very little olive oil is now being imported, say the officials, and domestic olive oil is not sufficient to supply the demand. The abnormally high price of genuine olive oil has tempted unscrupulous dealers to mix cheaper vegetable oils with a little genuine olive oil and to sell the mixture labeled as olive oil. Cottonseed oil, corn oil and soy bean oil are the principal substitutes used.

Several seizures have been made and a number of prosecutions are now pending in the federal courts as the result of finding in interstate commerce products labeled "olive oil," which upon analysis were found to consist largely of cottonseed oil. Cottonseed, corn and soy bean oils are palatable oils which are not injurious to health and there is no objection to their sale as food when properly labeled, say the officials. Their sale as olive oil, however, is a fraud, and their shipment in interstate or foreign commerce labeled as olive oil is a violation of the federal food and drugs act. The sale of cottonseed, corn or soy bean oils under the name of olive oil is also a violation of the laws of most states. State and city food inspectors are co-operating with the federal food inspectors in stopping this form of adulteration.

## BULL CALF BROUGHT \$1,000.

Holstein Cattle Sale at Brattleboro Successful.

Brattleboro, Oct. 3.—Approximately \$30,000 was received for 157 head of registered Holstein cattle in the two-day sale which closed last night at the Purebred Live Stock Sales Co.'s pavilion. In view of the epidemic this was considered especially good. A bull calf six months old, consigned by John Arfmann of Middletown, N. Y., was bought for \$1,000 by L. H. Anderson of West Glover. This was the highest price of the sale. A calf given by Mr. Anderson netted \$432 for the Red Cross of South Albany. Several cows brought from \$450 to \$700 each. A. W. Steers of Greenville, R. I., paid \$625 for a heifer two years old.

## PLAN DRIVE IN SCHOOLS.

State Education Department Being Interested in Liberty Loan.

From the Vermont headquarters of the woman's committee for the fourth Liberty loan in St. Albans, Mrs. Edward Curtis Smith, the state chairman, has sent out to the 2,500 or more school teachers information regarding the publicity work in the schools. Dr. Milo B. Hilliges of Montpelier, state superintendent of education, has given his hearty support to the plan, and the same co-operation is expected from every teacher and pupil. Dr. Hilliges has sent to every school superintendent in the state a letter asking him to communicate with the teachers in the union over which he has supervision, requesting them to help in this work. It is planned to have themes written, four-minute speeches given, and Liberty loan posters worked out by the pupils, these to be used in connection with public patriotic exercises to be held on some special day set aside for that purpose.

## Try This to Banish All Rheumatic Pains

People who have been tormented for years, even so crippled that they were unable to help themselves—have been brought back to robust health through the mighty power of Rheuma.

Rheuma acts with speed; it brings in a few days the relief you have prayed for. It attacks the joints and muscles and quickly the torturing aches completely disappear. It is harmless and inexpensive remedy, but sure and certain, because it is one discovery that has forced rheumatism and sciatica to yield and disappear.

Begin the Rheuma treatment to-day, and if you do not get the joyful relief you expect, your money will be returned. A. D. Dr. & Co. always has a supply and guarantee it to you.—Adv.

## BETTER THAN CALOMEL

Thousands Have Discovered Dr. Edwards' Olive Tablets are a Harmless Substitute.

Dr. Edwards' Olive Tablets—the substitute for calomel—are a mild but sure laxative, and their effect on the liver is almost instantaneous. They are the result of Dr. Edwards' determination not to treat liver and bowel complaints with calomel. His efforts to banish it brought out these little olive-colored tablets.

These pleasant little tablets do the good that calomel does, but have no bad after effects. They don't injure the teeth like strong liquids or calomel. They take hold of the trouble and quickly correct it. Why cure the liver at the expense of the teeth? Calomel sometimes plays havoc with the gums. So do strong liquids. It is best not to take calomel, but to take Dr. Edwards' Olive Tablets take its place.

Most headaches, "dizziness" and that lazy feeling come from constipation and a disordered liver. Take Dr. Edwards' Olive Tablets when you feel "foggy" and "heavy." Note how they "clear" clouded brain and how they "perk up" the spirits. 10c and 25c a box. All druggists.

## STORY OF FIGHTING FOURTH LIBERTY LOAN POSTER

Strong, wide awake, full of vigorous promise as it raises its head from the sea of night, the bright face of the rising sun will be familiar throughout New England during the next few weeks wherever the Fighting Fourth Liberty Loan is known. The story of this poster is full of interest, for unlike the other posters of the campaign, it was designed, not by a great artist but by a little fisher girl whose whole short life has been spent in the companionship of the sea, so that to her the rising sun is a familiar phenomenon. She is the daughter of a Gloucester fisherman and lives in a tiny house remote from everything but the sea with the fields and dark pine woods behind.
